Goettl Air Conditioning

3110 Polaris Ave
Las Vegas, Nevada 89101
United States

Phone: 702-487-8626

At Goettl Air Conditioning, we take pride in the ability of our technicians and staff to exceed your expectations with everything that we do. We offer the full gamut of home and commercial comfort services throughout the Phoenix area, including the installation of central air units, heat pumps, ductless mini splits, air cleaners, humidifiers, UV germicidal lights, furnaces, radiant heating systems, among numerous others. Whether you’re in the market for a new AC or your existing indoor air quality is less than pleasant, we’re ready to undertake your project. Excellent customer service, 24/7 response, and a 100% unconditional satisfaction guarantee are all part of the package when you enlist our team.
