Hard Rock Hotel & Casino

4455 Paradise Rd.
Las Vegas, Nevada 89169
United States

Phone: 702-693-5000

Why does it seem like there is always a Hard Rock Hotel in some of the gayest areas of the gayest cities? HEY Palm Springs!

Maybe it's the name? I dont know about you, but Hard Rock just sounds like a good time to us! You'll see!

You're walking distance from Vegas' famed gay nightlife district known as "The Loop", but hey why not take a limo for a block? It's Vegas baby!
