We exist as an order of 21st century nuns dedicated to the promulgation of universal joy and the expiation of stigmatic guilt. Our ministry is one of public manifestation and habitual perpetration. We work to raise money for our Sisters AIDS Drug Assistance Program (SADAP) and other community charities. We advocate for queer rights and visibility and conduct safer sex outreach. We work to affirm the value and beauty of all persons and particularly within the queer community. We strive diligently to keep our sense of humor, never taking ourselves so seriously that we forget to have fun.
